Your support helps the Mission Ridge Ski Team and the Mission Ridge Ski Education Foundation by subsidizing our athletic programs and by providing scholarships to worthy athletes. The Mission Ridge Ski Education Foundation is dedicated to quality training and a competitive experience for all levels of skiers. Our coaching promotes athletic development from beginner to World Class Competitions. We strive to create a healthy competitive environment that includes character development and sportsmanship. Currently MRSEF trains 160+ athletes aging from 5-20 with commitment levels that range from training one day per week to five days per week.

Please help us continue our tradition of excellence by becoming a donor!
